LEGISLATIVE AFFAIRS

Our prestigious Master's Degree program is truly one of a kind: the nation's only one exclusively devoted to the study of applied politics in the legislative arena.

Armed with our practical expertise, elite network, and D.C. savvy, GSPM alumni have launched or advanced their careers from Capitol Hill to statehouses around the country, and around the world. It is no surprise that at least a dozen serve as Congressional chiefs of staff, or that numerous GSPM alumni serve as elected officials, lobbyists, and advocates at every level of national and state government.

POLITICAL MANAGEMENT

From day one, you will begin amassing the practical tools that unlock industry leadership opportunities and get results in politics.

Our experiential curriculum prepares you for career success. Alongside GSPM's renowned faculty practitioners, you will produce a body of portfolio-ready work and learn how to win elections, craft digital strategies, develop advocacy initiatives, and more for both major campaigns and corporate public affairs alike.

STRATEGIC PUBLIC RELATIONS

At GSPM, you will amass the PR and public affairs expertise to become a leader in both the public and private sectors, gaining critical knowledge of how government, politics, and societal issues impact your client or organization. Beyond the latest strategies and tactics, gain a comprehensive education that empowers you to succeed in any context.

PROTECT YOUR FUTURE AND YOUR COUNTRY

M.S. National Security Affairs &
International Relations

Whether terrorism or cybersecurity, climate change or a global pandemic, the United States and the world face a range of security threats. NSU's M.S. in National Security Affairs and International Relations is designed for professionals and those aspiring for careers in the field.

This program will provide you with a core mastery of critical issues informing the field of national security today, including the assessment and analysis of the threat of terrorism in the U.S. and beyond, and the analysis of intelligence collection.

WILLIAM & MARY

MASTER OF PUBLIC POLICY

The Master of Public Policy (MPP) degree from W&M Public Policy combines the world-renowned faculty and academic setting of our Williamsburg, VA campus with frequent experiential learning opportunities with Virginia, Washington DC, and international policy makers. Further, our personalized, student-focused program and small student cohorts enable generous financial assistance and unmatched access to faculty. With excellent career placement within 6 months of graduation, the practical, collaborative policy experiences we embed in our program prepare alumni to advance to the highest levels of public policy in the public, nonprofit and private sectors and across all industries and issue areas in the field. Our curriculum emphasizes data analysis and critical thinking, practice-based learning, foundations of economics, and fundamentals of law and governing institutions. In addition to core studies in Economics, Government, Law, and methods, students are encouraged to develop focused expertise through their elective courses or as part of one of our joint degree programs with Law, Business, Education, Marine Science, and Mathematics.
